➤ _____ Date _____
Plumbing Contractor / Responsible Agent

As **Applicant and Responsible Agent**, I understand that electrical power is being connected at this structure for the specific portions, duration, and purposes listed above and that before any other portions of the electrical system may be energized, it must be inspected and approved, and failure to do so will result in the disconnection of electrical power to this structure. I agree, as applicant and responsible agent to assume **all liability** for any damage that may occur due to the electric power being connected or disconnected. I understand that this structure **CANNOT BE OCCUPIED** until a Certificate of Occupancy is issued and such action constitutes a **MISDEAMEANOR** (NCGS 160A-423), and to do so will result in the disconnection of electrical power to this structure.

I do hereby attest, by my signature below, that the above signatures are those persons authorized to grant permission for their respective systems to be energized.

Signature of Applicant / Responsible Agent
